Annual Report
to the Community

Keeping children safe, strengthening families, and building healthy communities since 1899.
Bethany for Children & Families thanks the Quad Cities community for continued support of the agency’s mission. Fiscal Year 2021 was a challenging year due to COVID-19's life-changing restrictions. Bethany staff delivered services to clients in new, innovative ways. Thank you to funders, donors, volunteers, and staff for your support.

- Bethany provides 26 programs and services and served over 10,000 individuals.
- Bethany offers services in 12 counties and two states, covering over 5,300 square miles.
- Due to the worldwide pandemic, Give Kids a Smile was unable to operate in 2021. It will return in the fall of 2022 serving underserved and uninsured children from Illinois and Iowa area schools who require dental care.
- 90% of families in Intact Family Services remained together, and 87% of families that completed the program did not have subsequent allegations of abuse or neglect in the following year.
- 98% of students in the Phoenix Day Treatment School remained within their family of origin and were not placed outside the home on a permanent basis.
- 100% of the families who applied for Bethany’s Infant Adoption Program were approved to adopt.
- 76% of the youth in mental health therapy demonstrated progress in at least one treatment plan goal.
- 41% of Behavioral Health clients demonstrated progress in at least one service plan goal. Collectively, MH and BHIS served 734 students from nine school districts in two states.
- 98% of youth served by Wraparound remained with parents or foster parents. 100% of Wraparound families remained intact six months after program completion.
- 907 unduplicated students in 21 schools and/or organizations participated in Teen Pregnancy Prevention Programs.
- 264 Goodwill vouchers, worth $2,640 for clothing purchases, were distributed to area individuals.
- Despite the pandemic, 141 pieces of furniture and appliances were distributed to families in need through the agency’s Family Furniture Assistance Program.
- 90.5% of children in the Direct Family Interventions program maintained their home of origin and 95.2% of cases were completed within an average of nine months.
- 40.46% of children in the agency’s home of relative/traditional Foster Care achieved permanency, returned to their parental homes, were adopted, or entered into guardianship.
- 100% of students in the Therapeutic Recreation Program met education goals by moving to the next grade level.
- 100% of eligible high school seniors and 8th grade students in the Phoenix Day Treatment School graduated.
- The agency’s three homeless services programs housed 17 families and nine youth. 75% of the teens/youth found stable affordable housing; 80% of families have increased their income while in the program.
